

Day 1 | Read Exodus 5:22-6:5, Job 42:1-6, Matthew 7:7-11, John 20:26-27, and James 1:2-8.

Principle: God answers our prayers in the midst of our hard and doubt-filled questions.

1. What did Moses do well in this very difficult moment, and what did God tell Moses in response to his questions?

2. When you are trying to be obedient to God and your life is falling apart, what would cause you to trust God instead of trying to fix things yourself? What would tempt you NOT to trust Him?

Day 2 | Read Exodus 6:6-8, Matthew 11:28-30, Leviticus 25:47-53, 2 Cor. 1:19-22, and Hebrews 2:14-3:1-6.

Principle: God himself is the answer to every need that we may have as His children.

1. How many "I" statements are in these three Exodus verses? What do they each teach you about God?

2. How does Jesus fulfill the promises of God that we see in these Exodus "I" statements, and how does this help you navigate the problems that you face?

Day 3 | Read Exodus 6:9-13, John 8:34, Romans 7:15, 2 Peter 2:19, and Hebrews 3:12-13.

Principle: Sin places every man under fierce bondage.

1. What kept the people of Israel from believing the salvation message delivered to them by God through Moses and Aaron?

2. What causes you to repeat sinful behaviors that you *know* are wrong, and why don't the promises of Jesus stop you?

Day 4 | Read Exodus 6:14-27, Judges 6:11-16, and Joshua 2.

Principle: God works through ordinary, broken people to bring about the salvation of His children.

1. Why do you think this genealogy was important for Moses to record at this time?

2. Who are some of the key people in your "spiritual genealogy" who played a role in your salvation? In whose spiritual genealogy have *you* played a role? Why does this matter?
