

Day 1 | Read Exodus 3:18-20, 4:1-9, Psalm 19:1-2, John 20:30-31, 2 Cor. 5:17, Ephesians 1:13-14, Colossians 1:15, and 2 Timothy 3:16.

Principle: God welcomes our doubts and provides all the evidence needed to prove He is God.

1. Why did God still give Moses three miraculous signs even though Moses ignored God's message that the elders would listen to Him?

2. How has God proven to you that Jesus is God, and that God and the Son are one?

Day 2 | Read Exodus 4:10-17, Jonah 1:2-4 & 1:17, Judges 6:15-40, Jeremiah 1:6-9, and 1 Kings 19:4-15.

Principle: God equips His people to do his work after He calls them, even when they object to His calling.

1. How does God's response to Moses explain His view of our handicaps and shortcomings when He calls us to serve?

2. Recognizing Moses had objected five times to God's command to "go", why do you think God burned with anger specifically at this final objection of Moses?

3. What does this scripture teach about managing our fears when God leads us into difficult seasons of life?

Day 3 | Read Exodus 4:18-23, Genesis 11:5-7, Daniel 4:13-18, Acts 9:1-6, and Romans 9:14-18.

Principle: God's sovereign plan is controlled by His power and purpose and is not changed by man's response.

1. What do you learn about God from all of these scriptural references?

2. How have you seen God override the direction of your life, and for what purpose do you think He did this?

Day 4 | Read Exodus 4:24-31, Genesis 17:9-14, 1 Samuel 15:22, Matthew 26:39, John 14:15, and Hebrews 5:8-9.

Principle: When we truly believe in God, our natural response is to obey and worship Him.

1. Why do you think circumcision of Moses' son was so important to God in this moment?

2. Why is your trust of God and obedience to Him a critical part of being a follower of Jesus?
